It was a wonderful day today. And luck is on my side with the visit of my good friend Leo Gomez. He called me a few days ago and asked me if I can take a picture of his 1st and 2nd (Bay Cities Combine) Fernley ,NV 220 miles winner. And this morning it became a reality.

Leo Gomez needs no introduction.. he is one of the best flyers here in SFR Club. and the Bay Cities Combine... Leo is holding his 1st and 2nd Bay Cities Combine winners (Ferneley,NV 220 miles 744 birds ,57 lofts) 6-27-09.

Rhian has new friend ...

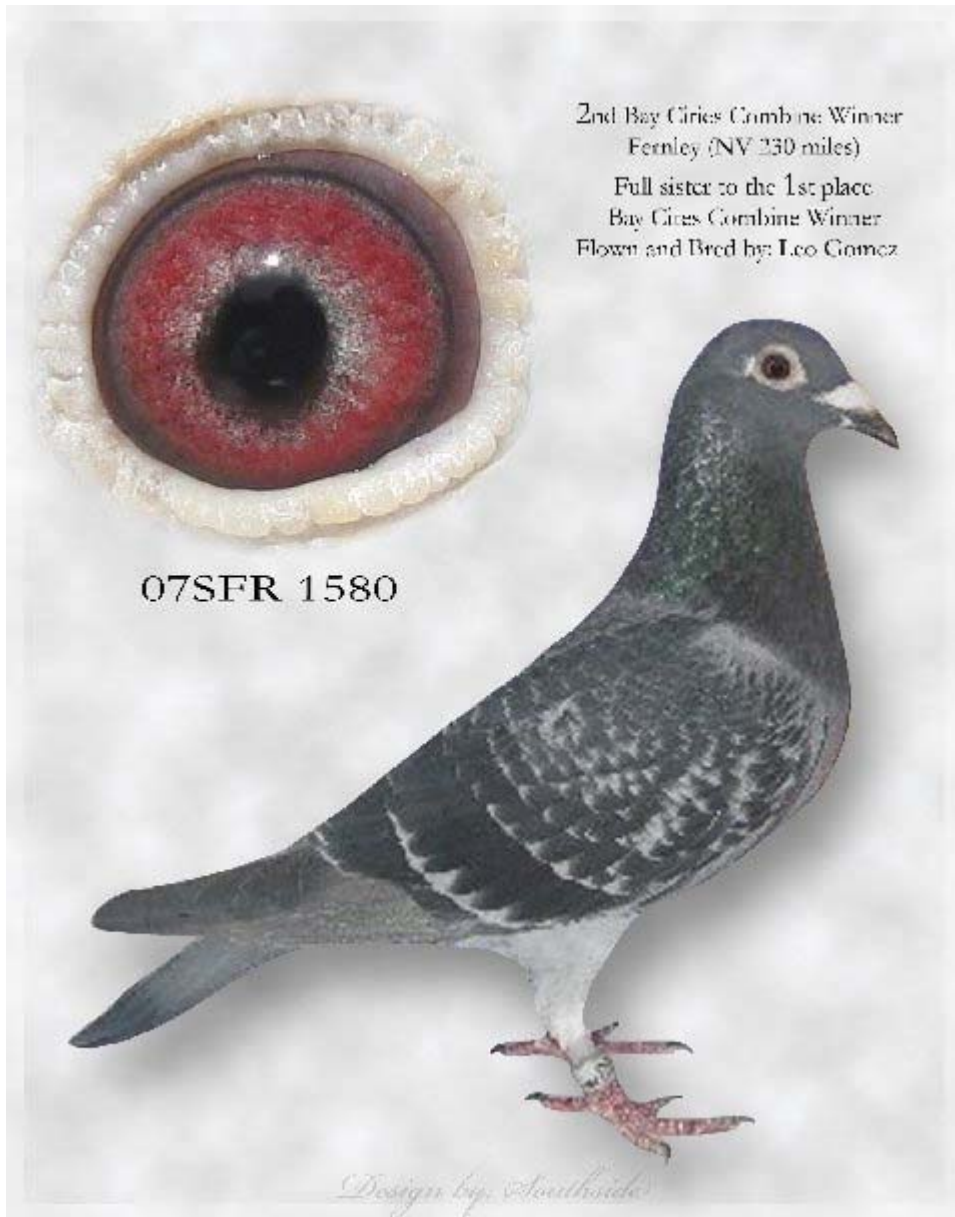

and looks like they both are getting well together.... (their smile is obvious)

744 birds 57 lofts....

A gift basket from Leo Gomez.... And to my surprise he told me he is not flying the 2 birds in the races anymore.. and he wanted me to breed both of them together...I was mesmerized and honored as the same time.. I just told my self it is really a wonderful day...
